Google For Education

You will be aware by now that we are going 'going live' on Google Classroom from Monday 18th January 2021!

The lessons and Meet sessions so far have gone really well and we have loved being able to see you all again!

As of the 18th, all work will be set using Google Classroom, rather than on ParentMail as it has been so far, so please carry on familiarising yourselves with it over the weekend.

This way of working is new to all of us, so we thank you for your support and patience while we try to iron out any teething problems that arise.

See you in Cyberspace!

From Mr Kempster
