Our Christian Value for the Summer Term 2020 is Hope

### Parent/Carer Questionnaires

I would like to thank everyone who has responded to the questionnaire regarding the wider opening of schools - I really appreciate that you have taken the time to respond and your comments are valued and will be taken into consideration when assessing the situation. Your responses are extremely important as they will help to inform the ongoing risk assessment which will, in turn, form the plan for when we open for additional pupils from the priority year groups and how we manage all the risks involved for everyone concerned. I would like to reiterate my comments made in the letter attached to the questionnaire....'All of us the want to get the pupils back into school as soon as it is safe to do so. The first priority, in all decisions made, **MUST** be the safety of everyone in the school community - children, parents and staff.'

Remember that responses to the questionnaire need to be back to school by Tuesday 19th May 2020, 12 Noon.

Thank you very much for your ongoing support.
