Gardening News

Plant To Plate

In February 2020, we started to collect the Plant to Plate tokens which were published in the local newspapers.

The deadline for collecting the tokens was extended to September 2020 due the Pandemic.

I am delighted to inform you that we collected a fantastic total of 2016 tokens and as a result we have been receiving gardening goodies over the past couple of weeks including potato seed pots, compost and a variety of seeds.

We would like to thank everyone who collected for us and extend a huge thank you to Sue at the Ardleigh Shop, who asked her customers to save the tokens for us.

Class 3 Gardening

Some of Class 3 have been helping me during their lunch times to water the plants and wider garden area.

They were so good at the jobs given to them that I decided to set them a gardening challenge.

The challenge was to grow their own plants from seeds. They had to take responsibility for planting the seeds, pricking out seedlings and hardening them off - taking them out of the greenhouse and leaving them outside to harden off to prepare them for living permanent outside.

They have done such a good job, that on Tuesday 18th May, they started selling their plants!

I am very proud to say that they sold all of their plants and raised a fantastic £11.50 - they were delighted with the results and were extremely proud of themselves! - They have decided to use this money to invest in more seeds to grow.

The children have worked really hard as a team, giving their time at lunchtime. I have watched their confidence grow as they have become more knowledgeable and skilful at all things gardening!

Well done everyone!
