Y6 'It's Your Move' Event

On Tuesday our Y6 children went to St. Mary's Church, Lawford to take part in the annual 'It's Your Move' event.

This gives the pupils an opportunity to meet with other children who will be attending the same secondary school as themselves.

They were involved in different practical activities which encourage them to interact with each other in an interesting and social setting.

The children thoroughly enjoyed themselves and it was great to hear them talk so positively about their move to secondary school.

Maths Workshop

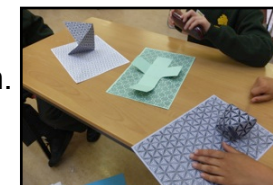

On Tuesday 3 of our Y5 pupils went to Langham Primary School to take part in the Tendring Small Schools' Cluster G&T Maths Workshop.

They joined 5 other schools to discuss and solve maths problems. This workshop was led by a Maths teacher from Colchester Grammar School and they had set problems related to shapes, which included finding out all about Pi.

The 3 boys thoroughly enjoyed themselves and were extremely proud of their efforts as they were awarded a Silver Certificate in the Olympic Maths Challenge.

Well done to Tom Cawthorne,
Nicholas Connor and Louis Dutch.

Sports Day 2012

We had a fantastic afternoon on Wednesday participating in our Olympic Sports Day.

The Opening Ceremony went very well, with the children holding their torches and proudly parading around the track.

It was great to see everyone enjoying themselves, even if they were not winning! It was lovely to see so many people watching the races - and well done to all the mums, dads and toddlers who joined in their particular races.

The eventual winners were St. George and James Dellow, as the team Captain, proudly held the cup aloft!

Thanks go to everyone who helped make the afternoon so successful. Well done to all the children who took part or who helped with the finishing line or handing out stickers.
